Then this is  
the program for you.

“Become an organizational coach with an international certification backed by the rich experience of isb Germany and Nibbana India.”

Nibbana India and isb Germany are introducing a coaching program to develop organizational coaches who can introduce a learning culture in organizations to **integrate the vision of strategic and executive leaders**. Organizational Coaches play an important role in honing best practices and enabling the power within the organization to **solve problems, innovate meaningful engagement** within and among teams, and develop an organizational stamina to reach great heights.

### Program focus:

- Organizational coaching
- Differentiating and integrating executive coaching and organizational coaching
- Uniqueness of Organizational coaching from other forms of coaching
- Systemic change management
- OD through inter departmental and Intra departmental coordination
- Building a Learning culture in organisations
- Developing Team culture for team performance
- Creating A culture for Shared responsibility
- Facilitating a Dialogic for Shared performance
- Developing a culture for implementing successful strategy
- Shared leadership between vertical and horizontal line functioning
- Integrating Leadership \ system \ culture
- Communication as a form to strengthen the health of the organization
